To Whom It May Concern:

This letter is to formally file a complaint with the Federal Election Commission against Peter Roskam for Congress (FEC Commission # C00330043) for delinquent debts. Data + Imagination, Inc. provided the campaign software, databases and support for his campaign for the Illinois 40th District election in 1998. We have attempted to collect from Mr. Roskam multiple times and have had no positive response. Data + Imagination, Inc. obtained Mr. Roskam's Campaign Committee's termination papers, which state that there are no debts. This is simply not true. Mr. Roskam's Campaign Committee owes Data + Imagination, Inc. a total of \$3,353.61.

Enclosed, you will find copies of invoices, statements and copies of his State and Federal Campaign Committee's Report of Receipts and Disbursements. As you will see, we have ample proof that Mr. Roskam defaulted on his debt and misrepresented himself on his reports to the State Board of Elections of Illinois and to the Federal Election Commission. We urge you to pursue this matter further.

Please feel free to contact me if you have any questions regarding this matter.

Thank you,

Jeff Shulem
Chief Financial Officer
